**Sub: Issue of the Trade License to lottery traders of West Bengal State  
Lottery for lottery business.**

Sir/ Madam,

With reference to the above , this is to bring to your kind notice that sellers of lottery tickets are facing problems in getting Trade License in many areas of your district as the authorities in the suburban and rural areas are not issuing Trade License to sellers for selling paper lottery tickets. As a result sellers are facing problems from the local law enforcing authorities also. Even, they are not able to open current bank account which is forcing them to deal in cash. The ultimate result is decrease in sale of lottery tickets and therefore the decrease in revenue of the Government.

Hence, you are requested to give necessary instructions to the appropriate authority of your district to issue Trade License to the sellers of lottery tickets of Government of West Bengal with a view to increase the sale of lottery tickets and to increase the revenue of the Government.

Thanking you,

Yours faithfully,

Sd/-
